SİMIT LOVE
PROJESİ

A detailed architectural rendering of a modern building's exterior. The facade is composed of large, dark-framed glass panels set between thick, light-colored concrete pillars. The building is multi-storied, with the ground floor being the most prominent. The sky above is a deep blue with scattered white clouds. The ground in front of the building is a light, neutral color. The overall aesthetic is clean, minimalist, and industrial.
